SERIAL No. 3

No. 14206 / 625

Bangalore, 19th February 1915.

From

RAO BAHADUR M. SHAMA, RAO, ESQ., M. A.,
Inspector-General of Education in Mysore.

To

C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education and Agriculture,
Bangalore

SIR,

I have the honour to bring to the notice of Government that according to the Rules of the Grant-in-aid Code sanctioned in Government Order No.7067-/Edn.312-13-4 dated 20th January 1914 grants to Night Schools are at present payable annually. The teachers who work in these schools however are of very limited means and cannot afford to wait for their emoluments for a year. The people of the places where such schools exist no doubt give small contributions, but they make up an inadequate sum. Hence it is found that Night Schools on a large scale cannot be started for the benefit of adults and in the case of indigenous schools, it is found that their existence is liable to constant interruptions, consequent upon the delay or negligence of the people concerned to pay the teachers in time. In these circumstances, I propose that Government may be pleased to authorize me to give the masters of such schools each a monthly grant of Rs.3 instead of giving a lumpsum grant at the end of the year. As per Rule 76 of the Grant-in-aid Code, each such school is entitled to a minimum annual grant of Rs.25 and to an additional maximum grant of Rs.12 for keeping the registers neatly and correctly written up. It will therefore be seen that at the rate of Rs.3 a month, the total amount will not exceed Rs 3. which is less by a rupee than the total amount of Rs.25 and Rs.12 re

referred to above. Any grant which a school may earn over and above the amount of Rs.36 may be paid at the close of the year. The power of sanctioning these grants may also be vested in the Inspector General.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General.
